Patty Cienčila

Interior Designer & 3D Visualiser

Creative designer pivoting back to interior design after over three years as a CG Artist producing photorealistic interior and exterior visuals. This work has built a sharp eye for detail and a strong understanding of how materials, lighting and composition shape a space. Holds a BA in Interior Design, backed by a year-long studio internship supporting concept development, client brief meetings and project pitches. Working knowledge of AutoCAD, Revit and Microsoft Office, with advanced 3ds Max, Corona and Adobe Photoshop skills to bring concepts to life. Organised, curious and driven, a confident communicator who thrives in a collaborative team and is keen to learn and grow as a designer.

PROFESSIONAL EXPERIENCE

CG Artist

Do Digital Agency | *October 2022 – Present*

Producing high-quality interior and exterior imagery for a diverse client base within a busy visualisation studio, collaborating closely with colleagues and clients from initial brief through to final delivery.

- Deliver multiple concurrent projects from initial setup to final output, covering modelling, lighting, materials and texturing, camera composition and post-production to achieve photorealistic results.
- Bringing interior spaces to life through considered use of materials, finishes and lighting, creating atmospheric visuals that communicate design intent clearly.
- Interpret client requirements and propose creative solutions, often from limited or ambiguous briefs, drawing on strong listening, problem-solving and design instinct.
- Manage client and internal feedback, implementing revisions efficiently and with close attention to detail while meeting deadlines.
- Collaborate with colleagues on large-scale projects, coordinating work across multiple images to ensure visual consistency and meet client expectations.
- Organise regular staff events and team-building activities within budget, accommodating a range of accessibility and support needs.

Interior Design Intern

Interaction Ltd | *September 2021 – August 2022*

Supported the design team in a busy interior design studio, gaining hands-on experience of professional workflows, client communication and design strategy.

- Worked closely with the design team to support the development and presentation of design concepts.
- Guided clients through design choices, offering fresh perspectives to resolve design challenges creatively.
- Participated in client-facing activities, including brief meetings and project pitches.
- Developed strong professional communication and organisational skills within a collaborative studio environment.

Customer Assistant

ASDA | *December 2016 – October 2017*

- Maintained neat, well-presented displays to consistent merchandising standards.
- Restocked shelves across three aisles alongside colleagues, strengthening teamwork under time pressure.
- Handled customer enquiries and requests, including price checks, returns and directions.
